Proceedings on Proposal No. 773 commenced upon receipt by the Boundary Commission of a resolution from the City Council on October 21, 1974 requesting that certain property be annexed to the City. The resolution meets the requirements for initiating a proposal set forth in ORS 199.490, particularly Section 2 and paragraph (a) of Section (1).

Upon receipt of the resolution the Boundary Commission published and posted notice of the public hearing in accordance with ORS 199.463 and conducted a public hearing on the proposal on December 11, 1974. The Commission also caused a study to be made on this proposal which considered economic, demographic and sociological trends and projections and physical development of the land.

On the basis of the public hearing and the study, the Boundary Commission made a number of findings:

- a) the original territory to be annexed is contiguous to the City and contains approximately 55 acres, 2 single family dwellings, 4 commercial structures, 1 motel, 1 high school, an estimated population of 3;
- b) the primary reason for annexation is to provide the area with more police protection than is currently available;
- c) the territory is approximately 95% developed;
- d) the city has a larger police department than either the county sheriff's office or the state police detachment assigned to this area;

- e) the territory to be annexed already receives city water service for which it pays more than it would if annexed into the city; and
- f) owners of two adjacent parcels (TL 841-009 and TL 841-9-3) request inclusion of their property in the proposal; the properties contain approximately 3 acres and the same City services available to the original annexation area are available to these parcels.

On the basis of the findings listed above the Boundary Commission approved BOUNDARY CHANGE PROPOSAL NO. 773 as modified on December 11, 1974.

NOW THEREFORE IT IS ORDERED THAT the territory described above be annexed to the City of St. Helens as of 45 days from this date or at what other subsequent date that the law requires.
